Mrs. Hiram U. Neff. living at 465
Main Street, Norwich, Conn., says:
"Mr. Neff speaks highly of Doan's Kidney Pills and has been an advocate of this remedy for a long time. For a good many years he was subject to attacks of rheomatism. This complaint was confined to the region of his kidneys and at times the pains were so severe that he could scarcely get around. The stiffness and lameness in his back made it almost impossible for him to stoop or straighten after stooping. The kidney secretions were verirregular in action, unnatural in appearance and caused him great annovance. Doan's Kidney Pills were recommended to him; he procured a hox from N. D. Sevin & Son's drug store and they gave him gratifying results from the first. The pain in his back was banished and the secretions from his kidneys restored to a normal condition. At times since he has noticed a slight recurrence of the trauble but a particular lands. has noticed a slight recurrence of the trouble, but an appeal to Doan's has nlways given him prompt relief."
